

The Daniels Centre of Learning, in partnership with the Centre  
for Social Innovation, presents:

# Q & A WITH A DOULA — HEATHER NEVILLE

Heather Neville, B.A., M.A., is a  
Toronto Labour Doula and  
Childbirth Educator

Certified by Childbirth and Postpartum Professionals Association  
(CAPPA) Canada, Heather views birth as a normal, natural process, not a  
pathological 'problem' to be solved. She knows that informed decision-making  
and support can make childbirth an overwhelmingly positive, empowering and  
life-altering experience.

Heather is a member and director on the Board of Directors of Doula C.A.R.E., and  
a member of the Centre for Social Innovation.
